EXPENSES!**

WEEDit is the next  
advancement in chemical  
placement equipment with  
highly accurate and  
responsive sensors that have  
never been seen before.  
It combines a fast release  
system with very accurate  
targeting, which means 'spot  
on spraying' on all weeds. The  
WEEDit system is the fastest  
way to save your dollars and  
reduce the chemical impact on  
the environment.
