

ECO Folding Tandem

64 Plate Disc Plough

The all-new ECO Folding Tandem 64 plate disc plough offers a narrow transport width of just 3m yet has a 7m wide working width. It also has a heavy frame that allows this to penetrate where other similar sized discs would dare to tread.

- ◆ 1 5/8" round axles with oil bath bearings
- ◆ 40mm round shaft – Oil bath bearing
- ◆ Strong, fully gusseted 8mm frame – heavier than all competitor machines in this price range
- ◆ Fully welded hangers with double reinforced bearing mounts
- ◆ Rotating tongue on heavy drawbar for easy hook-up
- ◆ Extra 2x 24" scalloped furrow filler discs on back two gangs
- ◆ Heavy Duty jack stand included
- ◆ Hydraulic fold, lift and swing of gangs PLUS cylinder on drawbar
- ◆ Oversize sign & Oversize flags supplied & fitted as standard
- ◆ 12 months Parts and Labor warranty included
